Helping teachers teach and helping parents to help their children

## Early Years - Pre-School

### *Early Days - Activities to Introduce formal learning*

**Pamela Lindsay**

This blackline master is designed to assist the busy teacher with an infant class. The worksheets have a clear, uncluttered layout and follow a "school theme". Many of the sheets are maths and language based.

**\$27.95**

### *Play in the Early Years Role Play*

**Raban & Riddell-Leech**

Learning through play is at the heart of the EYLF, and this series gives the practitioner as many play ideas as possible to support children's learning. The series features the value of play, planning for and managing play, observation and assessment suggestions and links to the five learning outcomes in the EYLF.

**\$36.95**

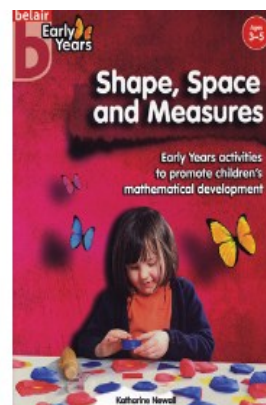

### *Preschool Songs and Fingerplays - developing language through rhythm and movement*

**Kim Cernek**

A comprehensive blackline master collection of more than 70 original and classical songs and fingerplays. It encompasses eight common early learning themes. Develops students interest and understanding of rhythm and rhyme.

**\$42.95**

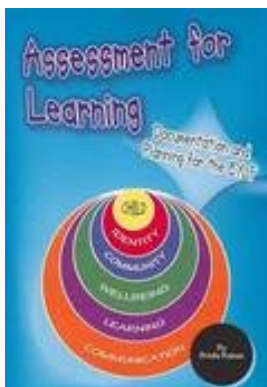

### *Shape, Space and Measures*

**Katharine Newall**

Develop shape, space and measurement concepts through play. The exciting, fun and practical ideas in this resource are accompanied by colour photos of classroom display suggestions for children's work.

**\$34.95**

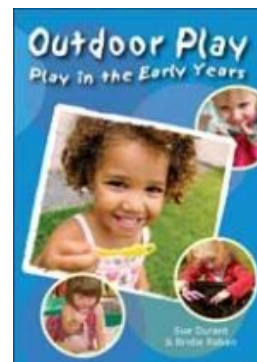

### *Assessment for Learning in the EYLF: A practical guide to Observation and Planning*

**Raban, Barber & Smith**

A new essential resource for all educators and directors in early childhood settings which explains in plain English how to observe, assess and plan for children aged 0-5. It links to all aspects of the Early Years Learning Framework.

**\$39.95**

### *Play in the Early Years - Outdoor Play*

**Sue Durant & Bridie Raban**

This book is full of ideas for new and exciting outdoor play whatever the weather. All activities are linked to the EYLF, and come with advice on planning and managing outdoor play sessions.

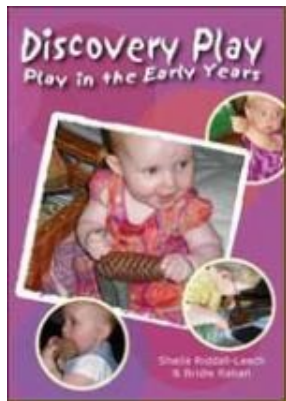

**\$36.95**

Helping teachers teach and helping parents to help their children

## Early Years - Pre-School

### *Play in the Early Years - Discovery Play*

**Bridie Raban & Sheila Riddell-Leech**

Discovery play involves children in exploring a range of natural materials to encourage them to discover at their own pace and in their own way. This practical guide offers advice on setting up treasure basket and discovery play sessions at all stages up to 5 years old.

**\$32.95**

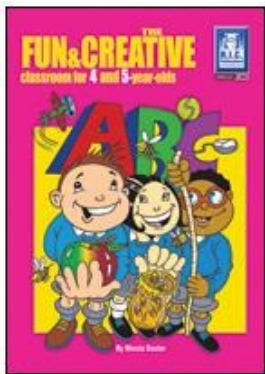

### *Action Rhymes, I can dance the barramundi*

**Lorelei Liddelow**

Is an imaginative aid for teachers of young children to help develop learning outcomes associated with the creative arts, using action rhymes. Young children will enjoy participating in the suggested rhythmic actions and can also be encouraged to use their own movements for the rhymes.

**\$37.95**

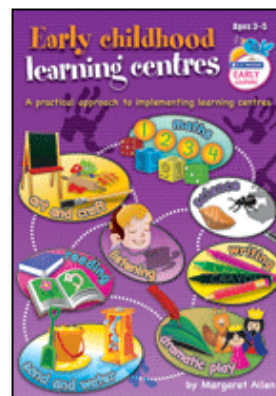

### *The Fun and Creative Classroom for 4 and 5 year olds*

**Nicola Baster**

This blackline master is a learning adventure to use in your classroom where everyday activities and materials become the keys to the student's future success in all learning areas. Building on the knowledge that young children come to school with, the activities provide logical, hands on, and meaningful experiences for the children.

**\$37.95**

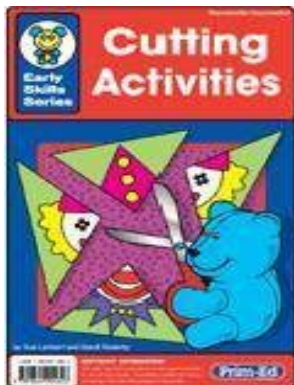

### *Early childhood Learning Centres - an explanation of learning centres*

**Margaret Allen**

An explanation of learning centres and how they are important to the educational development of young students. It also includes guidelines for the type of learning centres to set up, suggestions for the type of equipment to provide and how to store and present it, ideas for overcoming the problems of lack of space and a range of individual, partner and small group learning centre activities.

**\$42.95**

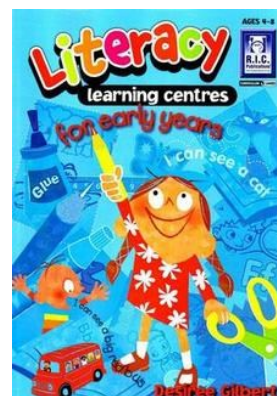

### *Cutting Activities: Early Skill Series*

**Sue Lambert and Sandi Rickerby**

Visually appealing series of photocopiable activities. Develops early literacy and numeracy skills. Aids perceptual and fine motor skills. Instruction given as easily recognizable icons. Use to teach new skills or reinforce and consolidate those already taught.
